Handy Helpers is a not-for-profit service, which specialises in working with older people, to identify their needs, ensuring they can continue to live in a safe and comfortable home.

Whether it's general home maintenance, decluttering or security assessments, we have a team of people who are experienced, qualified and Garda Vetted to ensure their suitability to work with older people and to deliver these services. Handy Helpers also accepts referrals from family members, statutory agencies and NGO's (Simon, St. Vincent DePaul etc.). We offer free quotations with no obligation to use the service.

Our priority is the safety and comfort of our service users to ensure that all work carried out in the homes of older people is completed to the highest standard.

We provide a professional service at affordable rates.
